The Frank & Dave Show ranges from mellow acoustic love songs to high octane rock and roll dance music. We cover a wide variety of classic and current hits that you will know and love. What sets us apart from many bands is the quality of our vocals. Our performances are harmony rich and vocally driven.

We are your full service wedding music provider. From an acoustic duo to a 6-piece full band, we will customize a music program to fit your particular wedding's needs and budget. Ceremony, cocktail and dinner music, reception dance music, DJ and MC services are all available.
